Invitation to Bid

North Conway Public Library Addition & Renovations

Bauen Corporation is requesting bids from all trades for the new addition and renovations to the North Conway Public Library. The work consists of a new 6,600 sf addition and renovations to the existing building. The scope of work includes but not limited to: stone masonry, structural steel & bar joist, metal stud wall framing, wood trusses, fiber cement siding, asphalt and EDPM roofing, aluminum storefronts, frames, doors and hardware, finishes, elevator, plumbing, fire suppression system, HVAC and electrical systems.

Sitework to start late October. The new addition is scheduled to be completed July 2019 with total project completion to be October 2019. Existing building work to take place after June 2019.

Plans & Specifications Available: **October 15, 2018**

Bids Due: **October 26, 2018 at 3:00 pm**

Bauen will issue bid forms to all bidding subcontractors and suppliers.

All bids **must be emailed** to the following address:
