

51 Pine Street, North Conway, N.H. 03860

Danielle Nutting, Principal
(603) 356-5381

May 7, 2019

To Whom It May Concern:

My name is Danielle Nutting. I am nearly a lifelong resident of the beautiful Mount Washington Valley community. I am the mother of two young children and am involved in many local community organizations. However, I am writing this letter in support of the North Conway Library's expansion as principal of John H. Fuller Elementary School in North Conway.

As a child that attended John Fuller, I fondly recall visiting the North Conway Library during the school day for special field trips, as well as walking there after school to do research and homework. This beautiful, historic building in the center of North Conway has the potential to grow to be the heart and hub of our community.

When I became principal of John Fuller four years ago, one of my top priorities was to foster community connections with our neighbors. When I heard of the North Conway Library's plans for expansion I immediately could envision the future between the library and our school. I truly look forward to seeing how our connection between the library and the school can become more rich with the expansion of the library and the opportunities that this will bring to our community's children.

I am wholeheartedly in support of the North Conway Library's renovation and expansion project. If I can be of any further assistance, do not hesitate to contact me at 603-356-5381 or d_nutting@sau9.org.

Sincerely,

Mrs. Danielle Nutting
M.Ed., C.A.G.S.
